INTRODUCTION

1.1 Background & Company History

All Freight Logistics has been in operation since 2010 where its humble beginnings began in a small shared warehouse in Walubay. It started with Exporting FAK's (Freight of All kinds) in 20 Foot containers. From there it has taken off to having its own custom bonded warehouse with state of the art facilities and services. Ranging from Importing, House hold and office removals locally and abroad, Cargo documentation and clearance and now with its Air-Freighting Services, you can be sure to be looked after by our specialized team. It has provided employment to eleven employees in the Head Office – Suva, four employees in the Lautoka Branch, three in Nadi and one in Auckland.

1.2 Mission

To provide consistent and excellent services to our customers through:

Understanding our customer's individual needs
Delivering services to exceed their expectations
Providing a positive culture for our staff to learn and grow
Acting with the highest integrity at ALL times.

1.3 Vision

To be the leading provider of Removal, Transportation and Freight Forwarding services in Fiji
To be a role model in our industry
To inculcate confidence in our Customers that they are associated with a reliable business partner.

1.4 Values

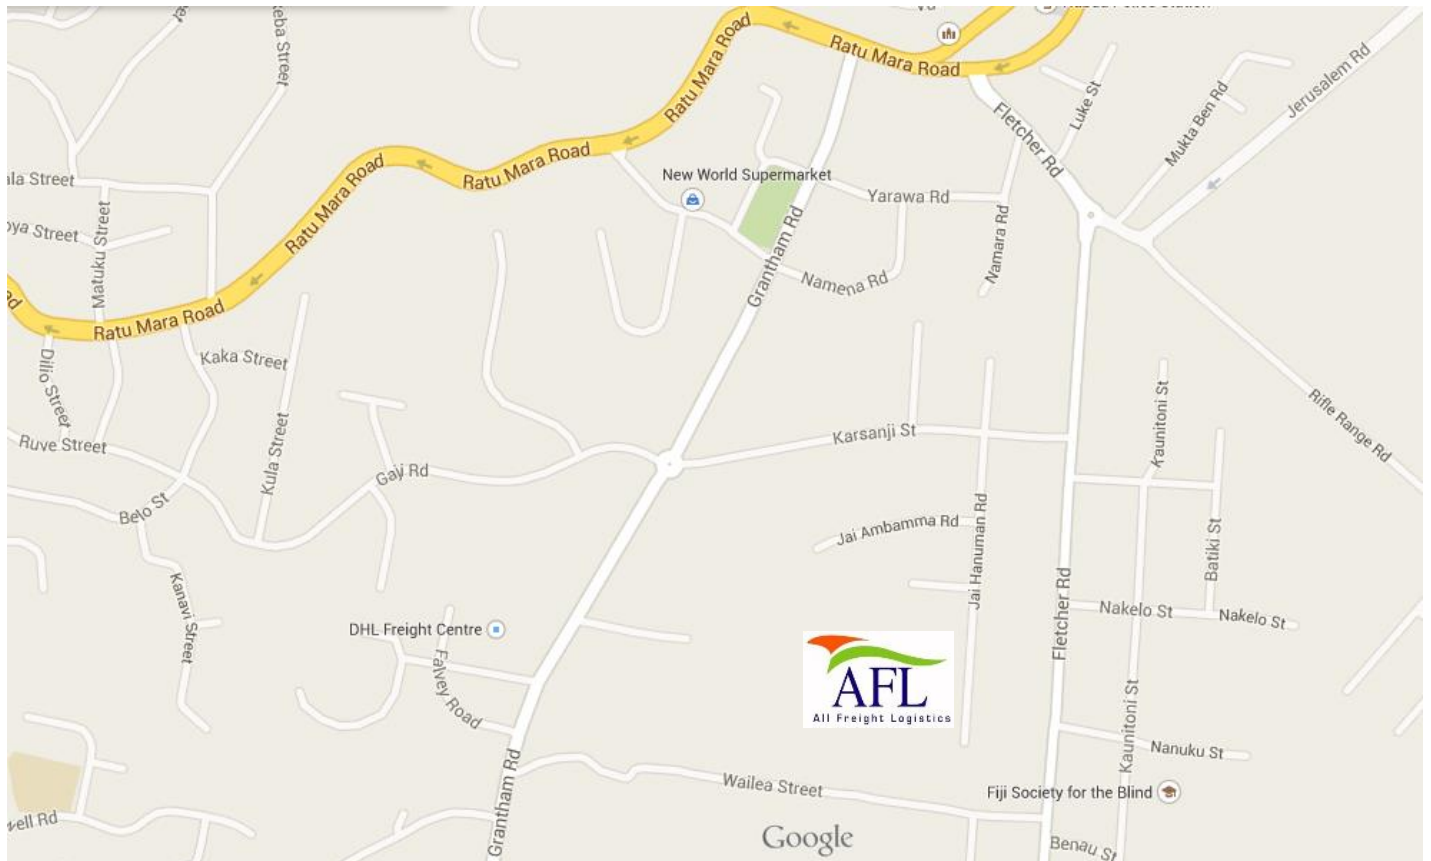

Flexibility to meet clients diverse needs
Reliability to ensure that customer expectations are continually exceeded
Excellence to provide the highest level of customer service
Innovation to anticipate change and respond with creative solutions
Giving back to the community for the investments made in us
Honesty and transparency to harness trust and loyalty
Teamwork to accomplish more together

Company Services

2.1 Air Freight

When speed is the most important factor in moving your products around the world, Air Freight is the best solution. AFL can meet all your global transportation needs around the world with our best Air Freight Services. When your time is definite or hazardous goods demand extra care, we have the talented people backed by powerful information visibility tools to optimize carrier schedules and see your most important shipments move door-to-door almost anywhere in the world-on time and intact.

2.2 Sea Freight

We understand that the needs of each client are unique and thus will work to provide you with the best services at all times, tailored to your requirements, FCL or LCL, import or export – our agency network provides us with quality representation covering most parts of the world. Together with our experienced team of sea freight personnel and our relationships with major carriers, we manage a substantial level of sea cargo. Allow us the opportunity to assist with your sea freight requirements.

2.3 Commercial & Business Removal

AFL is specialized in office removal for any type of commercial or business organization who need an office move. We understand that downtime has to be kept to a minimum and this is why you can be confident that AFL is the perfect choice for your service.

2.4 Household Removal

Our household removal service makes use of the most up-to-date technology and resources to ensure your home move is carried out in a stress-free manner, combined with a great deal of care and attention to detail.

2.5 Transportation & Cartage Service

When it absolutely needs to be there on time, without hesitation, ask for **AFL** time critical. With an extensive vehicle inventory and drivers available at a moment's notice, **AFL** can deliver your time critical needs: ON TIME, EVERY TIME.

2.6 Cargo Freight Station (CFS)

The term CFS means cargo delivered by break-bulk to Carrier's CFS to be packed by Carrier into containers and to be unpacked by Carrier from the container at Carrier's destination port CFS. We have our specialised team that plans every stage to ensure all the consolidated cargo is packed efficiently to prevent damage of cargo. We specialise in handling DG cargo, Vehicles and even fragile items. With AFL your cargo is always in good and professional hands whether its imports or exports.
